## CIRCULAR FOR AHLCON ASTRONOMY CLUB (SESSION: 2019 - 20)

Date:06.05.2019

Dear Parents,

It is a great pleasure to inform you that the students of Ahlcon Astronomy Club 2018-19 have completed their respective sessions successfully. Keeping in mind the interest shown by the students we are pleased to open the enrollment for the students for the classes VI- IX for the current academic year 2019-20. The club offers an exclusive platform to participate in various scientific research and development projects and activities at National and International level. It gives the children an opportunity to do space related activities at school and National level that extend and enhance the concepts of science in their classroom as well. Experts on Astronomy and Space field will be invited to conduct the following club activities.

### Club Activities

- Surface Cartography
- Fingerprints of the Universe
- Astro – Photography for Beginners
- Hydrobot
- Celestial Coordinate Systems
- Capturing Celestial objects

The above activities will be covered in a span of 1 year which includes many hands on activities, other than deep sky observation. The schedule for the same will be given to the students from time to time [preferably on Saturday]. The parents are requested to arrange for the to and fro journey of their wards to the school on club activity days.

Fees: Rs.3300/-per student (Non Refundable) to be paid by cheque in favour of **AHLCON PUBLIC SCHOOL**. The cheque along with the consent slip should be submitted to Ms.Sarika Saxena/ Ms.Sapna Sareen latest by 13<sup>th</sup> of May 2019.

An outdoor trip for night sky gazing will be organized away from the city light. The trip will be optional, interested students will have to bear the additional cost for the same. The details of the above said outdoor trip will be intimated later.
