**(FOR CLASS X PARENTS ONLY)**

Dear Parents,

Greetings,

CBSE has introduced Two Levels of Examination in Mathematics for the students who are going to appear in the Board Examination for the academic session ending March 2020 onwards. The nomenclature for the two examinations are (i) **Mathematics - Standard** for the existing level of examination (Assessment will be of the same level as being taught in the class) and (ii) **Mathematics - Basic** for the easier level of examination. The School will conduct only one level examination as per **Mathematics - Standard** i.e existing level.

The syllabus, classroom teaching and internal assessment for both levels will remain the same to allow the students to study the whole range of topics throughout the year, however the mode of testing will be different. We also wish to inform you that **Mathematics - Standard** will be meant for students who wish to pursue Mathematics in their Senior Secondary level (XI & XII) whereas **Mathematics - Basic** will be for the students who are not keen on pursuing Mathematics at higher levels.

In case student fails at any level of Mathematics, he/ she can appear at the compartment examination as per norms of the Board according to the options given below

| <b>In case of failure in</b> | <b>Compartment options</b>                   |
|------------------------------|--|
| Mathematics -Basic           | Mathematics –Basic                           |
| Mathematics- Standard        | Mathematics - Standard or Mathematics- Basic |

A Student who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment exams as per norms of the Board, in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.

Student will have the right to choose between the two levels of examination at the time of submission of List of Candidates (LoC) by the school in the month of August 2019. We request you to kindly discuss with your ward the choice that he/she makes for Board Examination-2020 and guide your ward accordingly.
