Dear Parent,

Greetings from the Ahlcon Family!

We hope and pray for the safety and health of each and every member of your family in this testing time of COVID-19 pandemic. We are thankful to our health & sanitation workers, police force and every-one else involved in this battle against the pandemic.

Ahlcon Public School started its new academic session through online classes to maintain & connect with our children and their families. Our teachers & students are actively engaged in online teaching-learning process. Not only has it kept our students in touch with academics but has also shifted the focus from the fear and anxiety caused by the pandemic towards creative engagements. These engagements have helped enhance the emotional and psychological wellbeing of our students.

Teachers are working tirelessly to make virtual classes as interesting and innovative as possible. I am delighted with the response of the children and the parents. In fact, some of the appreciation mails and messages from parents have motivated the enthusiasm of our teachers- thank you dear parents for the gesture!

We along with our students are also committed to the welfare of our teaching and non-teaching staff, vendors and their dependents / families. We meet all our expenses through the fee collected, and so far, a very few of you have paid the fee, **therefore, I urge you all to support us, by timely paying the fee online.** We have uploaded the monthly tuition fee for the lockdown period on our website for your convenience as per the recent directions received from Directorate of Education, Government of NCT of Delhi.

Let us hope, the circumstances become favourable and get back to normal as soon as possible.

Best wishes,

(Dr. Deepak Raj Singh Bisht)
