MONSOON ISSUE, JULY 2025

*Flamingos carry with them the hues of a thousand sunsets,  
a reflection of the vibrant, unseen stories they tell.*

Artwork on cover page and on this page by  
Lavanya Singh, X F, 2025

## *Editor's Note*

Hola, queridos amigos

There's a moment just before the monsoon arrives, when the air feels like it's holding its breath. The sky turns the colour of old ink, the wind gathers itself and you know, without a single drop falling, that change is already on its way.

That moment has always been my favourite. It's a promise. A pause before the world begins again.

This edition was created in the spirit of that pause. Some of us wrote while listening to rain tapping against our windows, while others found our words in the stillness between storms. Together, we've gathered poems, stories, and images that capture the sound of footsteps on wet streets, the warmth of a shawl pulled closer and the scent of earth waking after its long thirst.

The monsoon doesn't just water the soil; it nourishes the soul. It asks us to soften, to bend, to grow in ways we didn't plan. In these pages, you'll find that same spirit — voices that swell and ebb like rainclouds, pieces that wash over you gently or break open like a sudden downpour. So find a quiet corner. Pour yourself something warm. Let this monsoon carry you, not just to places, but to feelings you'd almost forgotten.

Gracias!

*Suhaani Manglik*

# Principal's Message

Dear Readers,

It gives me immense pride to present the Monsoon Edition of our e-magazine, showcasing the achievements and milestones that have made the past months memorable at APS.

Academically, our students have once again made us proud with excellent CBSE Board results. **Aishwarya Khetan** topped Class XII with an impressive 98.4% aggregate, while **Shubhi Srivastava** topped Class X with 98.2%. Five students in Class XII and eighteen in Class X secured a perfect 100 in various subjects. In all, **82 students in Class XII** and **73 students in Class X** achieved 90% and above in aggregate – a testament to their hard work, the guidance of teachers, and parental support.

Our students' excellence is further reflected in their placements in reputed institutions across the country. This year, Ahlconians have secured outstanding results with 5 selections in the NEET entrance examination, 8 admissions to IITs, 1 to IIIT, 4 to IIMs, 3 to NSUT, 4 to BITS, and 5 to DTU. These remarkable achievements stand as a testimony to their hard work, perseverance, and the unwavering guidance of their mentors.

The Club Badge Ceremonies celebrated student leadership, while four meritorious students were honoured with the Shri Bikramjeet Ahluwalia Scholarship and Smt. Sudarshan Ahluwalia Scholarship for academic excellence.

The post summer vacation session began on a progressive note with the introduction of air-conditioned buses in July, enhancing student comfort, and the recent inauguration of Ahlcare, our dedicated day care facility, ensuring holistic care for children.

We also witnessed two vibrant interschool fests. Confluence brought together more than 25 prestigious schools, celebrating innovation and collaboration across disciplines. VIVIDHA, our preparatory interschool event, saw enthusiastic participation from young learners across Delhi NCR, making it a truly colourful and engaging experience.

Our flagship event, AYMUN, reached new heights this year with record participation. We were privileged to welcome our alumna, Ms. Surabhi Kaushik, IAS, Under Secretary, Ministry of External Affairs, as the Chief Guest, whose presence and inspiring journey added immense value to the event.

In keeping with our Go Green initiative, APS has installed a 350KW Solar Power Plant, a step towards sustainability and reducing our carbon footprint, making our campus greener and more future-ready.

The Independence Day celebrations were marked by grandeur and patriotic fervour. The newly introduced Bagpiper Band, marching alongside our NCC cadets, added splendour to the occasion. We were honoured to have Lt. Gen. Rajesh Singh, a highly decorated Army officer, as the Chief Guest, whose inspiring words filled us with pride and motivation.

As we move ahead, we remain committed to nurturing academic excellence, co-curricular vibrancy, and values of resilience, responsibility, and leadership in every Ahlconite.

*Dr. Deepak Raj Singh Bisht*

# NCC at ATC

Our school's NCC contingent of 25 cadets represented us at the Annual Training Camp held at Delhi Cantt from 24 April to 3 May 2025. With a gruelling schedule that began each day at 5 a.m., through drills, training and cultural activities, the cadets braved the sultry days with remarkable grit, teamwork and talent. They secured top honours in multiple events, winning first positions in Group Dance, Tug of War, Poster Making and Group Song, along with a commendable second position in Solo Dance —a true reflection of discipline, dedication and the spirit of excellence.

# Cultural Fest

On May 3, 2025, the Cultural Department brought together 28 schools and over 200 students, offering a vibrant platform for young talents to showcase their artistic flair. Participants competed in various captivating categories, including Nrityanjali (classical dance), Swaranjali (semi-classical music), Vadyanjali (tabla recital), Yoganjali (rhythmic yoga), Mono Acting, and Street Play reflecting dedication, creativity, and enthusiasm, earning appreciation from the audience and accolades from the expert judging panel.

# Confluence 2025

On 12 July 2025, the school hosted an Inter-School Fest, Confluence 2025, a vibrant celebration of creativity, intellect and youthful innovation across diverse disciplines. Literary Club, Scientia Club, Commix Club, Mathmatrix Club and ATL club hosted around 15 activities. Prof. Rekha Kumari graced the occasion as the Chief Guest and delivered an inspiring address that aimed to spark scientific curiosity deeply rooted in inquiry, purpose and passion in every young mind.

# Ahlcon Youth MUN 6.0

On 2 August 2025, the school organised Ahlcon Youth Model United Nations 6.0 in which around 350 young delegates from classes IV to XII participated to deliberate, debate and design ideas for a peaceful world. Ms. Bhumika Kaushik , Under Secretary, Ministry of External Affairs, and also an alumna of the school was the Chief Guest. Through her motivational speech, she encouraged students to create peaceful environment through dialogue and diplomacy and learn lessons from their experiences to make a better world for all.

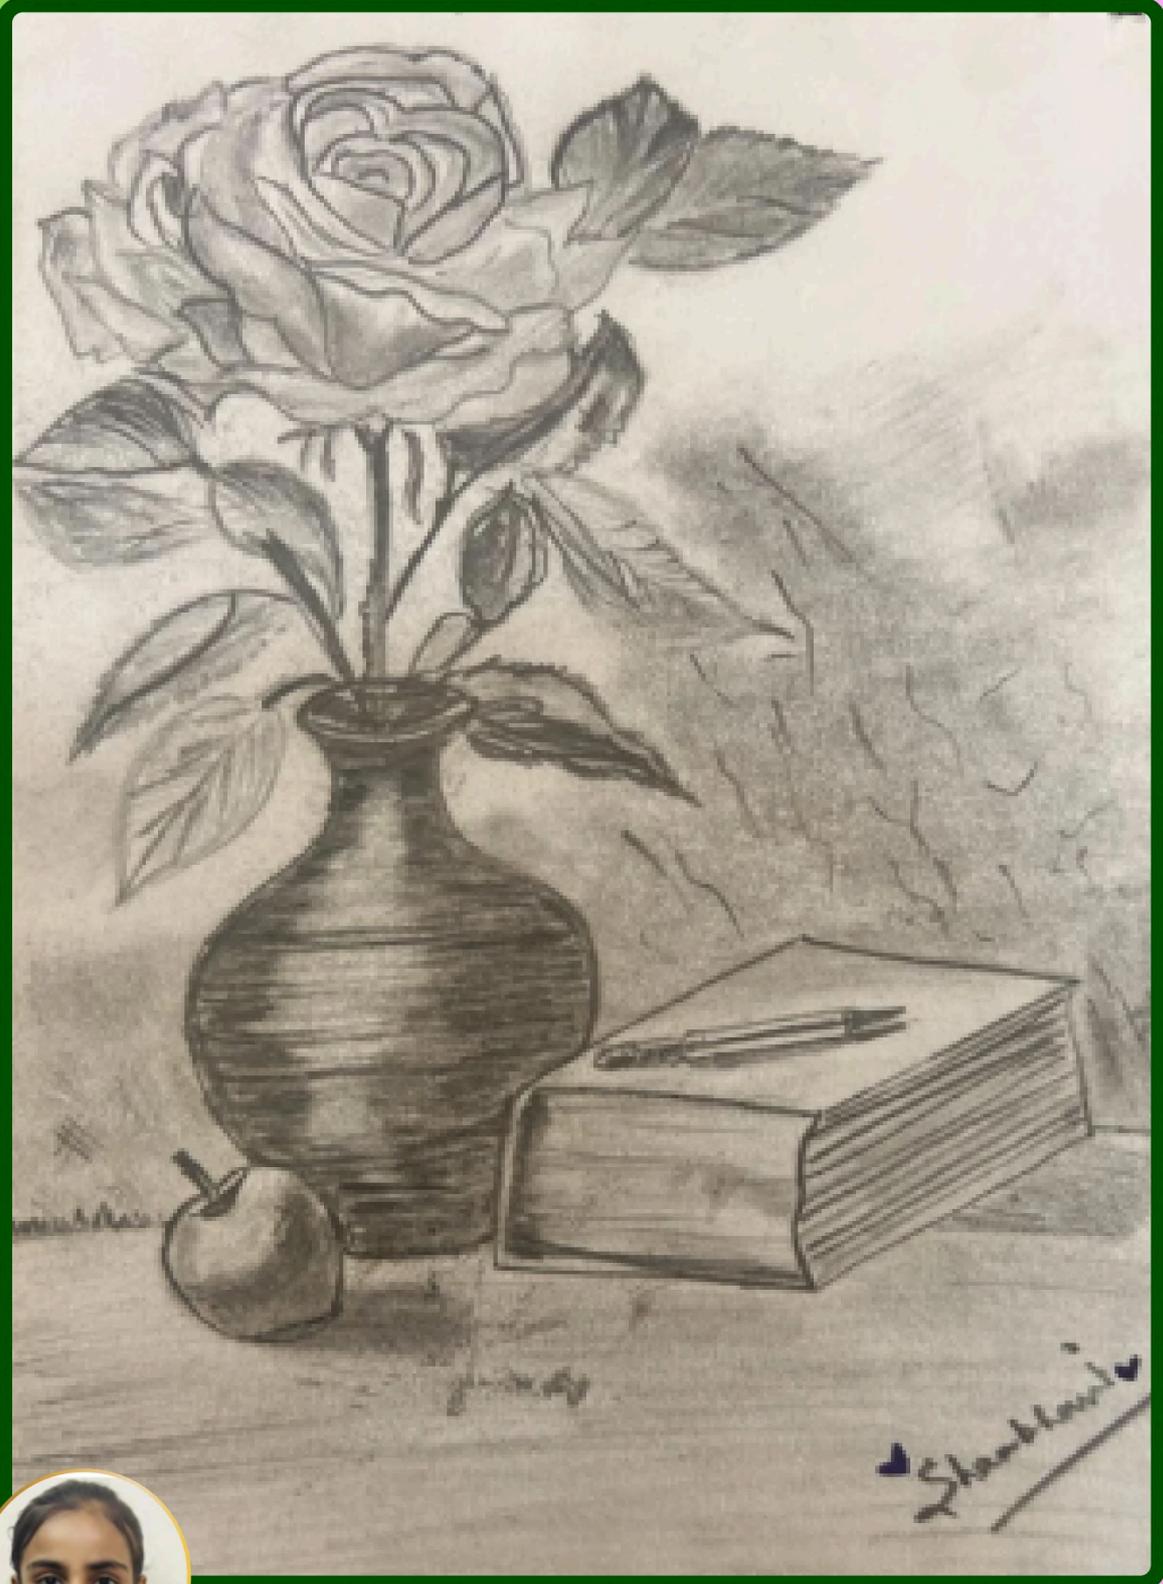

# Summer Trips

# Creative Musings...

Shambhavi Chaudhary , VII C, 2026

# Home

Home is never four walls and a roof  
it's a place where you know what to do.

Home is a feeling, not a floor  
it lives in hearts not behind a door.

It's where you laugh, where you cry  
it's where time flies by  
It's where your toys and books still stay  
long after you've gone away.

It's a little world that's truly ours  
Just like the sky in the late hours.  
No matter how far we choose to roam  
No place is kinder than home.

Aarna Deo, IX C

# Social Justice

In the shadows, voices rise,  
Echoes of the marginalised, wise,  
Bound by chains of prejudice,  
Yearning for a world of fairness,  
With pens as swords, they fight the fight.

Against injustice, shining bright,  
In hearts and mind, their anthem rings,  
For equality, they spread their wings.  
No more shall silence reign supreme,  
As dreams of justice find their stream.

In unity, we stand and strive,  
For a world where all may thrive,  
So let us march, hand in hand,  
Across the vast and troubled land.  
For social justice, we all endure,  
until every heart is pure.

Saundarya Singh Gangwar  
XI F

# The Golden Beauty

It's a great day with beautiful sunshine,  
As it showers its beams on the gorgeous pines.

The snow really white,  
Just twinkles bright.

As it shines on all green patches in the snow,  
On all those standing in a row.

As it gives out its warm heat,  
Rouses the fauna and with it, it greets.

On the water bodies, as it showers sunlight,  
The shimmering bodies sparkle with light.  
Glancing at the sun, when the waves dance,  
Nature's beauty they enhance.

The snow really bright,  
Just twinkles bright.

When it showers its lustrous sunshine,  
The whole environment is on cloud nine.

Srisha Sindhwani

XI C

# Le ballon Perdu

Un petit garçon était triste parce que son ballon rouge vif s'était envolé. Il le regarda disparaître dans le ciel, les larmes aux yeux. Une vieille femme, assise à proximité, vit sa tristesse. Elle sourit et désigna un petit oiseau qui planait très haut. « Regarde », dit-elle doucement, « ton ballon s'est lié d'amitié avec un nuage, et maintenant le petit oiseau joue avec eux deux.

Le garçon cessa de pleurer. Il imagina son ballon rouge, le nuage blanc et le petit oiseau jouant tous ensemble dans le grand ciel bleu. Il réalisa que même si le ballon avait disparu de sa main, il était toujours beau et avait trouvé de nouveaux amis.

Morale : quelque chose, cela trouve un nouveau but et apporte de la joie aux autres, et nous pouvons trouver le bonheur en le voyant s'épanouir d'une manière différente.

Disha Saini, IX A

# सिक्किम का सौंदर्य

बर्फ से ढके हैं ऊँचे पहाड़  
नीचे हरियाली, ऊपर आकाश अपार  
जहाँ सूर्य की किरणें मुस्कुराती हैं  
सिक्किम की वादियाँ गीत गुनगुनाती हैं।

चांदी की चादर ओढ़े है शिखर  
नदी का संगीत करे मन प्रखर  
चांदनी रातों में सपने खिलते  
नीली घाटियों में सप्रेम मिलते।

गेरुए वस्त्रों में संतों की चाल  
बहती हो वहाँ जैसे ध्यान की धार  
मंत्रों की ध्वनि में भोर जगे  
और प्रकृति की गोद में मन रमे।

लहराते ध्वज - लाल और सफेद  
हर रंग में छुपा है नेक संदेश  
जो देखा, उसे शब्दों में न पिरोया जा सकता कभी  
सिक्किम की सुंदरता देख, धीमी हो जाती है वक्त की गति।

कुछ इतना निर्मल, न बंधा किसी धर्म में,  
बस रूह तक उतर गया हर रंग उस कर्म में।  
यह है सिक्किम, सुंदरता अपार  
हमारी भारत माता के द्वारा दिया गया उपहार।

आद्रिका सिंह, IX E

Divyanshi Juneja, IX B, 2026

# संविधान और मर्यादा: लोकतंत्र की नींव

संविधान...

न केवल एक किताब,  
बल्कि विचारों की वो मशाल है,  
जो जली थी चुपचाप आज़ादी की रात में,  
और रोशनी बनी हर भारतीय के हाथ में।

हर अनुच्छेद में गूंजती है एक पुकार  
न्याय, स्वतंत्रता, समानता, बंधुत्व का सत्कार।

मर्यादा...

वो अदृश्य रेखा है,  
जो हमें हमारी सीमाएं दिखाती है।  
जहाँ अधिकार लेते समय  
कर्तव्यों की हल्की सी दस्तक सुनाई देती है।

मर्यादा में ही छुपा है वह संतुलन,  
जो "मैं" को "हम" से जोड़ता है।  
अगर हर कोई बोले बस स्वार्थ की भाषा,  
तो टूट जाएगी भारत की एकता की आशा।

संविधान कोई आवाज़ नहीं करता,  
पर वो हर दिन हमारे कर्मों में सांस लेता है।  
और अगर हम सुन सकें,  
तो वो कहता है —  
"मैं जीवित हूँ, अगर तुम विवेकशील हो।  
मैं नींव हूँ, अगर तुम मर्यादा में हो।"

लावन्या आहूजा, IX E

# शान्तिः एव जीवनस्य शोभा

सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः ।  
 सर्वे भद्राणि पश्यन्तु मा कश्चित् दुःख भाग्भवेत् ॥  
 अद्य संसारस्य प्रत्येके क्षेत्रे कलहः, द्वेषः हानिः हिंसा च व्याप्नोति  
 किन्तु उपायः केवलं एकः शान्तिः ।  
 युद्धस्य परिणामः - विनाशः  
 हिंसायाः फलम् अशान्तिः  
 किं प्राप्तं तेन न किमपि किन्तु केवलं विनाशः  
 परन्तु यत्र करुणा तत्र शान्तिः  
 यत्र शान्तिः तत्र सुखमयं जीवनं  
 यत्र शान्तिः तत्र विकासः, तत्र स्नेहः ,  
 तत्र सौहार्दम् ।  
 शान्तिः न केवलं मौनम् अस्ति  
 शान्तिः अस्ति प्रेमस्य,सहिष्णुतायाः, करुणायाः च स्वरूपं  
 यदि शान्तिः नास्ति तर्हि सुखं नास्ति  
 तर्हि संसारस्य पतनं कलेशं च साक्षात् भविष्यति ।  
 अतः शान्तिः धारयित्वा जीवनं रसमयं कुरुत ।  
 जीवनस्य सारम् अपि शान्तिः , जीवनस्य आधारः अपि शान्तिः  
 अनया एवं विश्वे शान्तिः भविष्यति ।

गौरेश शर्मा, VIII F

# Investiture Ceremony

The Investiture Ceremony of the Preparatory Stage for the session was held on the 8 May 2025 in the school auditorium. The positions include school Prefects, House Captains and other leadership roles. The ceremony was marked by the handing over of symbolic items like badges and epaulettes which serve as visible representations of the bestowed responsibilities.

# My Superpower: Creative Thinking

Everyone has a special skill and I believe my superpower is creative thinking. Whenever I face a problem, instead of getting worried, I take a deep breath and let my imagination find a solution. Whether it's making a science model with waste materials or helping a friend solve a tricky puzzle, use creativity like a superhero uses a magical tool.

I love drawing, storytelling, and coming up with new ideas. Once, I even created a fun game to help my classmates remember multiplication tables. My teachers often say that I think "out of the box," and that makes me feel proud. I believe that creativity makes learning more fun and life more colourful. This special skill helps me stand out and gives me the confidence to face any challenge. I may not wear a cape, but imagination is my real superpower- and it helps me shine every single day!

Sidharth Kumar Bhagat

V F

# Maths

Maths is in every place  
 Maths does not have a realistic face!!  
 But when it is used  
 It leaves a remarkable trace!!

Maths, maths is a subject at school  
 Maths, maths is really cool !!  
 Maths is a must in the everyday world  
 For every man & woman, boy & girl !!

One plus one is two  
 Two plus two is four!!  
 You have to know maths  
 To get a good score !!

When you wake up  
 you count the meals !!  
 And every month  
 You count the bills !!

Without maths you would not get pay!

Maths is must  
 Each and every day !!  
 Every problem has a solution  
 Maths is just its revolution !!

Kiara Ahuja, III B

## Rainy Season

Raindrops fall, like tears from above  
 Bringing life to plants, and endless  
 love  
 They quench the thirst, of parched  
 earth's skin  
 And help our crops, grow strong within

The rain replenishes, our lakes and  
 streams  
 Giving homes, to fish and aquatic  
 dreams  
 It washes away, our worries and fears  
 And brings us joy, through all the years

The rainy season, is a time to cheer  
 A time to play, and dance, and laugh,  
 and hear  
 The sound of raindrops, on the roof  
 above  
 A soothing melody, that brings us love

So let's appreciate, this gift from above  
 And take care of nature, with endless  
 love  
 For rain is precious, and vital to our  
 earth  
 A treasure that keeps, our planet's  
 birth.

Akisha Batra, IV E

## Magical Pink Dream

In the night sky, The moon glows  
 bright,  
 I dreamed about a beautiful sight.  
 The ocean glows in shining pink,  
 As stars above begin to blink.  
 The shades of the ocean are so  
 bright,  
 It looks like someone painted it  
 right.

The dark palm tree is tall and grand,  
 Stands watching over sea and land.

Look at the mountains, they are  
 big,

They guard secrets while the  
 world's asleep.

This picture, a truly beautiful sight,  
 Fills my heart with a wonderful  
 light.

Oh, what a dream!! I wish, with a  
 sigh,

That this lovely world could just  
 come alive!!

Kiara Rathi, III E

# नेत्रहीन विद्यालय का दौरा

20 जुलाई को मैं अपने पापा के साथ भारतीय ब्लाइंड स्कूल गया। यह स्कूल शाहदरा, दिल्ली में है और बहुत पुराना है। यह स्कूल सन् 1962 में बना था। मैं पहली बार ऐसे किसी स्कूल में गया था जहाँ बच्चे देख नहीं सकते। शुरू में मुझे थोड़ा डर भी लगा और हैरानी भी हुई। वहाँ लगभग 60 से ज़्यादा लोग थे। मैंने कुछ बच्चों से बात की, जो मेरी उम्र के थे। जब मैंने पूछा कि वे देख क्यों नहीं सकते, तो किसी ने बताया कि वह जन्म से ही अंधे हैं, कुछ को पोषण की कमी की वजह से आँखों में रोशनी कम हो गई। कुछ को ज़हरीली गैस लगी और कुछ बच्चों को मोबाइल और टीवी ज़्यादा देखने से यह परेशानी हो गई।

अधिकतर बच्चों को उनके माता-पिता ने वहाँ छोड़ दिया था क्योंकि वे उनके साथ घर में सामंजस्य स्थापित नहीं कर पा रहे थे। मुझे यह सुनकर बहुत बुरा लगा।

शुरुआत में बच्चों को बहुत मुश्किल हुई, लेकिन अब वे धीरे-धीरे वहाँ के नियमों में ढल रहे हैं। वे समय पर उठते हैं, प्रार्थना करते हैं, और समय पर नाश्ता और खाना खाते हैं। ये सब एक बड़े हॉल में होता है। मैंने वहाँ एक बच्चे से दोस्ती भी कर ली, उसका नाम रोहित था। उसने मुझे ब्रेल में अपना नाम लिखा हुआ दिखाया और मेरी हथेली पर रखकर बताया कि वह कैसे पढ़ता है।

मुझे सबसे ज़्यादा खुशी तब हुई जब मैंने देखा कि वे बच्चे ब्रेल (Braille) लिपि सीख रहे थे। यह एक विशेष लिपि है जो उंगलियों से छूकर पढ़ी और लिखी जाती है। वे बच्चे कंप्यूटर भी चलाना सीख रहे हैं। मैं हैरान रह गया जब मैंने देखा कि वे एमएस वर्ड में टाइप करते हैं, यूट्यूब पर गाने सुनते हैं, और कंप्यूटर पर वैसे ही काम कर सकते हैं जैसा कोई भी देख सकने वाला बच्चा कर सकता है। लेकिन मुझे यह भी पता चला कि आम लोग उनकी उतनी मदद नहीं करते, जितनी करनी चाहिए।

अब मैं सोचता हूँ कि जब मैं बड़ा हो जाऊँगा, तो ऐसे बच्चों की मदद ज़रूर करूँगा। और अपने दोस्तों को भी समझाऊँगा कि आँखें भगवान का सबसे बड़ा तोहफ़ा हैं, हमें उनकी देखभाल करनी चाहिए।

आर्यन भाटिया, IV D

# मेरी उदयपुर यात्रा

मुझे याद है जब मैं पिछले साल उदयपुर गया था। हमलोग मेवाड़ एक्सप्रेस ट्रेन से वहाँ गये थे। हमलोग वहाँ पापा के गेस्ट हाउस में रूके थे और वहाँ बहुत मजे किये। वहाँ हमने सिटी पैलेस, जग मंदिर, सज्जनगढ़ किला, जगदीश मंदिर, फतेह सागर लेक, लेक पिछौला, सहेलियों की बाड़ी, भारतीय लोक कला मंडल, शिल्पग्राम, वैक्स म्यूज़ियम, फिश एक्वेरियम, आदि जगह घूमे। मुझे वहाँ का प्रसिद्ध खाना दाल-बाटी चूरमा खाने में मना आ गया।

सिटी पैलेस को महाराजा उदय सिंह जी ने बनवाया था और उन्हीं के नाम पर शहर का नाम उदयपुर पड़ा। हमें पता चला कि वहाँ अभी भी मेवाड़ वंश के राजा रहते हैं। फिर हमलोग सज्जनगढ़ किला गए जहाँ राजा, मॉनसून का आनंद लेने आते थे। वहीं पास ही में फतेह सागर लेक है। जहाँ की छटा देखते ही बनती है। वहाँ हम लोगों ने बोटिंग और ऊँट की सवारी का भरपूर आनंद लिया। वैक्स म्यूज़ियम में हमने देश-विदेश के महान नेताओं के मोम के पुतले को देखा।

शिल्पग्राम में हमें वहाँ के लोकल कलाकारों द्वारा बनाये हुए कपड़ें, खिलौने, ढेर सारी सजावट का सामान देखने को मिला। भारतीय लोक कला मंडल में वहाँ के कलाकारों द्वारा प्रस्तुत नाटक और कठपुतली नृत्य को देखकर मैं बहुत खुश हो गया।

चार दिन की उदयपुर यात्रा कब पूरी हो गई, पता ही नहीं चला। मुझे अगर मौका मिले तो मैं फिर से उदयपुर जाना चाहूँगा यह यात्रा मुझे हमेशा याद रहेगी।

अयांश उत्कर्ष, IV A

# हमारी बेटियाँ

हमारी बेटियाँ खुशियों की सौगात लाती, जब घर में आती है बेटियाँ,  
मुस्कुराती, हंसना सिखाती और दिल खुश कर जाती है बेटियाँ ।

चंदन की खुशबू से सी महकती, आंगन को प्यार से भर देती है बेटियाँ,  
संस्कार से दोनों घर को सजाती, स्वाभिमान से जीना सिखाती है बेटियाँ ।

पन्नाधाय जैसी महान त्यागी, लक्ष्मीबाई जैसी बहादुर और हिम्मती है  
बेटियाँ,  
इंदिरा जैसी महान नेता देश चलाने वाली, सुनीता और कल्पना जैसी  
आसमान को छू जाने वाली है बेटियाँ ।

घर हो या खेलकूद का मैदान या फिर दफ्तर या देश चलाने का काम,  
सबको अच्छे से निभाती है बेटियाँ,  
देश विदेश में सबका नाम रोशन करती है बेटियाँ ।

प्यार और खुशियों का संगम है, हर दिल की धड़कन हर आंख की नूर है  
बेटियाँ,

साक्षात दुर्गा, लक्ष्मी और सरस्वती का स्वरूप होती है बेटियाँ ।

घर को स्वर्ग से भी सुंदर मंदिर बनती है बेटियाँ,  
हम सबके प्यार और सम्मान की हकदार हैं बेटियाँ ।

सोमिता शर्मा, III D
