

**AHLCON  
PUBLIC SCHOOL**

**SESSION 2025-26**

**SUBJECT-COMPUTER**

**Class-V (ASSESSMENT-1)**

**Syllabus- Lesson-3 Formatting a Presentation**

**Make a PowerPoint presentation on any one of the topics for Assessment-1**

- 1. Science - Dispersal of Seeds**
- 2. Social Studies - The Motions of the Earth**

The students can choose any one of the topics of their choice and prepare themselves for making a presentation on it.

Assessment -1 will be taken by the subject teacher on the day of the regular computer class, and the date of assessment will be announced by the subject teacher of that Class/Section.

**Important points to be noted-**

**Time: 30 Minutes**

Incorporating various features and tools into presentations enhances the visual appeal and reinforces the understanding of the subject matter.

Students should practice with themes, backgrounds, transitions, animations, and the insertion of pictures, shapes, SmartArt, and WordArt to create engaging and informative presentations.

The students will get images related to the given topics in the folder **Ass-1\_Class V\_Images**

The students should know how to save the file. They will save their file by following the steps **File> Save> This PC>Documents**. Save the file in the given format- **Ass-1\_Class/Sec\_Name of Student e.g. Ass-1\_5A\_Aarya**

Good Luck
