

Session 2025-26

Class - 4

Computer Pointers For Assessment- III

Syllabus- Lesson 4 PowerPoint 2016

Topics for Practical Assessment

Design a presentation on any one

- 1. Animal Kingdom**
- 2. Food is life**
- 3. Food Preservation**

The students can choose any one of the topics of their choice and prepare themselves for making a presentation on it.

Assessment -3 will be taken by the subject teacher on the day of the regular computer class and the date of assessment will be announced by the subject teacher.

Important points to be noted-

Time – 20 - 30 Minutes

The students should practice with all the features and tools given in the lesson and done in their previous class. Like (themes, changing backgrounds, smart art, transition, animation adding images and word arts)

Students will get images related to the given topics or they can bring images related to the topic in their pen drives in the regular computer class.

You must practice any one topic for the Assessment-3

- **Creating the Presentation.**
- **Save the file with your name on the desktop.**
- **Save the file in the given format- Name of Student_Class sec. e.g. Riya_4D**

The students will practice how to save the file with their name on the desktop.

Good Luck
