

PROVISIONAL CERTIFICATE OF STRUCTURAL SAFETY

This certificate is submitted after visual inspection, non-destructive testing and structural analysis (based on relevant India Standard codes) of Ahlcon Public School situated at Mayur Vihar, Phase I, New Delhi - 110091.

This is to certify that the structure of the school buildings as per issued & approved structural drawings is observed to be structurally safe for static load conditions and buildings behavior against seismic lateral forces can be improved as per recommendations submitted in detailed structural audit report. Final certificate shall be submitted once strengthening of the buildings is completed.
